## Summit Introduction

In order to create an efficient network and partnering platform between China and Europe, the 2018 China-Germany Healthcare Investment & Business Development Summit will kick off in Beijing. The event is co-hosted by China Investment Promotion Agency of Ministry of Commerce (CIPA) and Germany Trade & Invest (GTAI). More than 150 Chinese healthcare companies and leading professional investors will present. Insight and expertise of keynote speech will help you organize thoughts and expand Know-How. Besides, our one-to-one partnering communication will serve your detailed business requirements. For FREE roadshow opportunities, please contact us.
